

C14-2019-0101

ZONING CHANGE REVIEW SHEET

CASE: C14-2019-0101 – 1010 Clermont

DISTRICT: 3

ZONING FROM: GR-MU-V-CO-NP

TO: GR-MU-V-CO-NP, to change conditions of zoning

ADDRESS: 1010 Clermont Avenue

SITE AREA: 0.26 Acres

PROPERTY OWNER/APPLICANT: Cooee Yakka, LLC (Paul Stables)

AGENT: Hector Avila

CASE MANAGER: Heather Chaffin (512-974-2122, heather.chaffin@austintexas.gov)

STAFF RECOMMENDATION:

Staff supports the Applicant’s request to rezone the property to GR-MU-V-CO-NP to change conditions of zoning.

For a summary of the basis of staff’s recommendation, see case manager comments on page 2.

PLANNING COMMISSION ACTION / RECOMMENDATION:

October 8, 2019:

CITY COUNCIL ACTION:

November 17, 2019:

ORDINANCE NUMBER:

C14-2019-0101

ISSUES:

The subject property was rezoned from GR to GR-MU-CO-NP with the East Cesar Neighborhood Plan process in December 2000. The vertical mixed use (V-) was added in 2009 during the opt-in/opt-out process. 60 land uses were prohibited by conditional overly (CO) and 10 made conditional with the 2000 ordinance. *Please see Exhibit C- Zoning Ordinance.*

The Applicant requests to change the following prohibited land uses to permitted land uses: Administrative and business offices, Professional offices, Business support services, Financial services, Consumer repair services, and Personal improvement services. The Applicant also requests to change the following conditional land uses to permitted land uses: Personal services, Medical offices below 5,000 s.f., and General retail sales-convenience. The property has several conditional overlays that the Applicant supports retaining on the property. The proposed rezoning would keep the following conditions:

1. A structure shall not exceed 40 feet in height;
2. Townhouse residential is prohibited;
3. The following land uses are prohibited: Agricultural sales and services, Automotive repair services, Adult oriented businesses, Automotive rentals, Automotive sales, Automotive washing (of any type), Business or trade school, Campground, Commercial off-street parking, Communications services, Consumer convenience services, Convenience storage, Drop-off recycling collection facilities, Equipment repair services, Exterminating services, Funeral services, Hospital services (limited), Indoor entertainment, Kennels, Limited warehousing and distribution, Maintenance and service facilities, Off-site accessory parking, Pawn shop services, Plant nursery, Research services, Restaurant (drive-in, fast food), Restaurant (general), Software development, Veterinary services, Outdoor entertainment, Transitional housing, Building maintenance services, College and university facilities, Communications service facilities, Construction sales and services, Custom manufacturing, Electronic prototype assembly, Equipment sales, Guidance services, Hotel-motel, Indoor sports and recreation, Laundry services, Local utility services, Medical offices (exceeding 5,000 s. f. of gross floor area), Outdoor sports and recreation, Residential treatment, Restaurant (limited), Service station, Vehicle storage, General retail sales- general, Hospital services (general), Club or lodge, and Transportation terminal.
4. The following land uses are conditional: Art and craft studio (general), Congregate living, Cultural services, Theater, Art and craft studio (limited), Counseling services, Food sales, and Pet services.

CASE MANAGER COMMENTS:

The proposed rezoning is for a 0.26 square foot property located at the northeast corner of the intersection of Interstate 35 Northbound (IH 35) and Clermont Avenue. The GR-MU-V-CO-NP property is comprised of 3 lots and is currently developed with an automotive sales land use. This land use is an existing nonconforming use. Immediately east of the property are lots zoned GR-MU-CO-NP that are developed with single family residences. These properties have the same conditional overlays as the subject tract. Single family residential land uses continue to the SF-3-NP zoned areas east and northeast of the property. North of the property, across an alley are lots zoned GR-MU-CO-NP. These properties have the same conditional overlays as the subject tract and include single family, vacant, and multifamily land uses. Across Clermont to the south are multiple properties zoned CS-MU-CO-NP which have the same conditional overlays as the subject property. These are developed with automotive sales and single family residential uses. *Please see Exhibits A and B—Zoning Map and Aerial Exhibit.*

As stated previously, the Applicant requests changing some of the land uses that are currently prohibited or conditional to permitted uses. Uses include: Administrative and business offices, Professional offices,

Business support services, Financial services, Consumer repair services, Personal improvement services, Personal services, Medical offices below 5,000 s.f., and General retail sales convenience. Staff supports the rezoning request. Staff supports permitting the uses listed above because it will allow redevelopment of the site with uses that fit the area. This property is located immediately adjacent to IH 35 and is in an area that transitions from CS and GR zoned areas to a single family neighborhood. By permitting some of the less intense uses that are currently not allowed, the site could be redeveloped from the existing nonconforming automobile sales use to something more suitable, like offices, personal services, and more. Although several nearby properties have the same conditions, Staff believes that conditions in the area have changed significantly in the last 19 years, and these uses are appropriate.

Staff has received correspondence in favor of the rezoning request. In addition to correspondence from neighbors, Staff has received a letter from the East Cesar Chavez Neighborhood Plan Contact Team (ECC NPCT) that supports the majority of the Applicant’s request. ***Please see Exhibit D – Correspondence.***

BASIS OF RECOMMENDATION:

1. *Zoning changes should promote compatibility with adjacent and nearby uses and should not result in detrimental impacts to the neighborhood character.*

The permitted land uses would provide a better transition between the highway and single family neighborhood than the existing automotive sales use. Many of the uses could possibly improve the character of the neighborhood.

2. *Zoning should allow for reasonable use of the property.*

With 60 prohibited land uses and 10 conditional uses in addition to those already prohibited in GR zoning, the site is limited to a very short list of possible uses.

3. *Rezoning should not contribute to the over zoning of the area.*

The low intensity uses that would be permitted on the property provide less intensive options and opportunities for redevelopment than the current land use.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
Site	GR-MU-V-CO-NP	Automotive sales
North	GR-MU-CO-NP, SF-3-NP	Single family residential, Undeveloped, Multifamily residential
South	CS-MU-CO-NP	Automotive sales, Single family residential
East	GR-MU-CO-NP	Single family residential
West	IH-35, CBD	Highway, Hotel, Gas station

NEIGHBORHOOD PLANNING AREA: East Cesar Chavez NP Area

WATERSHED: Lady Bird Lake **TIA:** N/A

AREA CASE HISTORIES: There are no recent rezoning cases in the vicinity.

EXISTING STREET CHARACTERISTICS:

Name	ROW	Pavement	Classification	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
IH 35 Frontage Rd	250'	Multiple lanes dived freeway	ASMP Level 4	Yes	Yes	Yes
Clermont Drive	60'	30'	ASMP Level 1	Yes	No	Yes

OTHER STAFF COMMENTS:

ENVIRONMENTAL

1. The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Lady Bird Lake Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code.
2. Zoning district impervious cover limits apply in the Urban Watershed classification.
3. According to floodplain maps there is no floodplain within or adjacent to the property.
4. Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.
5. At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.
6. This site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 s.f. cumulative is exceeded, and on site control for the two-year storm.

SITE PLAN

- SP 1. Site plans are required for any development other than single-family or duplex residential.
- SP 2. Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.
- SP 3. Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

SP 4. FYI: Additional design regulations will be enforced at the time a site plan is submitted.

SP 5. The entire site is subject to compatibility standards due to proximity to property zoned SF-3-NP to the northeast. The following standards apply:

- For a structure more than 100 feet but not more than 300 feet from property zoned SF-5 or more restrictive, height limitation is 40 feet plus one foot for each 10 feet of distance in excess of 100 feet from the property zoned SF-5 or more restrictive.
- For a structure more than 300 feet but not more than 540 feet from property zoned SF-5 or more restrictive, 60 feet plus one foot for each four feet of distance in excess of 300 feet from the property zoned SF-5 or more restrictive.

SP 7. The site is subject to 25-2 Subchapter F. Residential Design and Compatibility Standards.

TRANSPORTATION

TR 1. A traffic impact analysis was not required for this case because the traffic generated by the proposed zoning does not exceed the threshold of 2,000 vehicle trips per day. [LDC 25-6-113]. TR 2. Additional right-of-way maybe required at the time of subdivision and/or site plan. According to the Austin 2014 Bicycle Plan approved by Austin City Council in November 2014, a bike lane is recommended along IH 35 frontage Rd.

The adjacent existing street characteristics are provided in the table below:

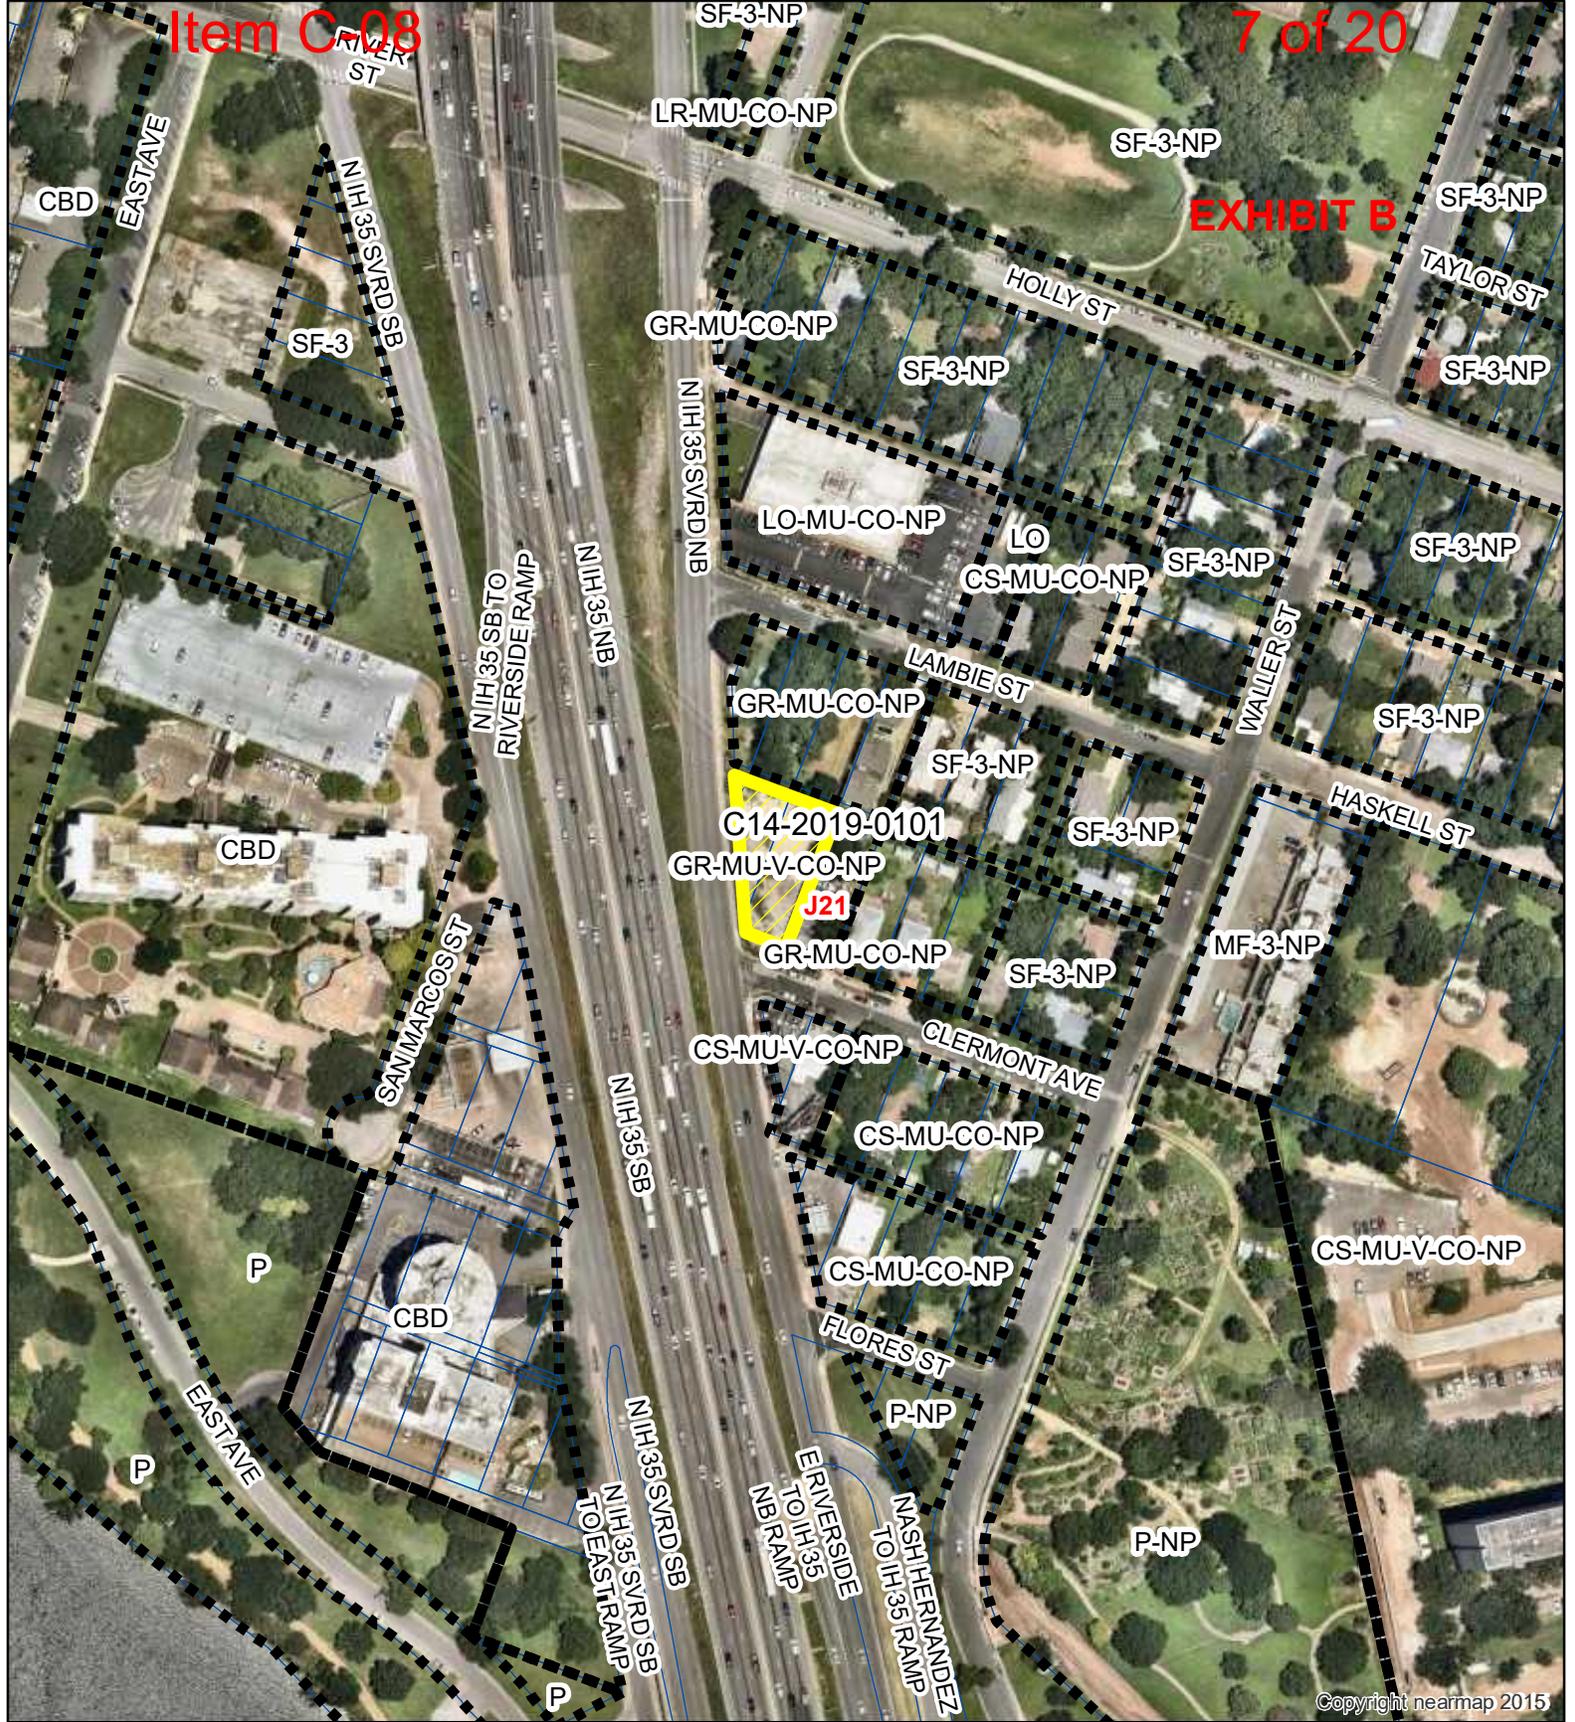

Name	ROW	Pavement	Classification	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
IH 35 Frontage Rd	250'	Multiple lanes dived freeway	ASMP Level 4	Yes	Yes	Yes
Clermont Drive	60'	30'	ASMP Level 1	Yes	No	Yes

WATER UTILITY

1. The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. Water and wastewater utility plans must be reviewed and approved by the Austin Water Utility for compliance with City criteria. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

ORDINANCE NO. 001214-20

EXHIBIT C

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP ACCOMPANYING CHAPTER 25-2 OF THE CITY CODE FOR APPROXIMATELY 443 ACRES OF LAND, GENERALLY KNOWN AS THE EAST CESAR CHAVEZ NEIGHBORHOOD PLAN (NP) COMBINING DISTRICT, WHOSE BOUNDARIES ARE THE ALLEY BETWEEN EAST 6TH STREET AND EAST 7TH STREET ON THE NORTH, CHICON STREET ON THE EAST, TOWN LAKE ON THE SOUTH AND INTERSTATE HIGHWAY 35 ON THE WEST, IN THE CITY OF AUSTIN, TRAVIS COUNTY, TEXAS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to add a neighborhood plan (NP) combining district to each base zoning district within the property and to change the base zoning districts on 90 tracts of land within the property described in File C14-00-2102, as follows:

Approximately 443 acres of land, in the City of Austin, Travis County, Texas, including 90 tracts more particularly described and identified in the chart below and the attached Exhibit "A", (the "Property")

generally known as the East Cesar Chavez Neighborhood Plan (NP) combining district locally known as the property bounded by the alley between East 6th Street and East 7th Street on the north, Chicon Street on the east, Town Lake on the south and Interstate Highway 35 on the west, in the City of Austin, Travis County, Texas, and as more particularly identified in the map attached as Exhibit "B".

PART 2. The base zoning districts for the 90 tracts of land are changed from Limited Office (LO) district, Neighborhood Commercial (LR) district, Community Commercial (GR) district, General Commercial Services (CS) district, Commercial-Liquor Sales (CS-1) district, General Commercial Services-Historic (CS-H) district, and Limited Industrial Services (LI) district to Limited Office-Mixed Use-Conditional Overlay-Neighborhood Plan (LO-MU-CO-NP) combining district, Neighborhood Commercial-Mixed Use-Conditional Overlay Neighborhood Plan (LR-MU-CO-NP) combining district, Community Commercial-Mixed Use-Conditional Overlay-Neighborhood Plan (GR-MU-CO-NP) combining district, General Commercial Services-Mixed Use-Conditional Overlay-Neighborhood Plan (CS-MU-CO-NP) combining district, Commercial-Liquor Sales-Mixed Use-Conditional Overlay-Neighborhood Plan (CS-1-MU-CO-NP) combining district, General Commercial Services-Historic-Mixed

Use-Conditional Overlay-Neighborhood Plan (CS-H-MU-CO-NP) combining district, an Limited Industrial Services-Conditional Overlay-Neighborhood Plan (LI-CO-NP) combinin district, as more particularly described and identified in the chart below.

PART 3. Secondary apartment special use is permitted on lots in residential districts within the boundaries of the NP combining district as set forth in Section 25-2-1463 of the Code.

PART 4. The following applies to a single-family residential use on an existing legal lot:

- 1. The minimum lot area is 2,500 square feet.
- 2. The minimum lot width is 25 feet.
- 3. For a lot with an area of 3,500 square feet or less, the impervious coverage may not exceed 65 percent.

Re: 1010 Clermont Avenue

Dear Ms. Chaffin:

During the June 19, 2019 meeting of the Cesar Chavez Neighborhood Planning Team (ECCNPT), Mr. Paul Stables met with us to ask for our support to change the prohibited uses in the Conditional Overlay on this property. After much discussion and input from our Land Use Committee, we voted as follows:

1. Administrative and Business Offices: change from prohibited to permitted.
2. Professional Office: change from prohibited to permitted.
3. Business Support Services: change from prohibited to permitted.
4. Financial Services: change from prohibited to permitted.
5. Consumer Repair Services: change from prohibited to permitted.
6. Personal Improvement Services: change from prohibited to permitted.
7. Personal Services: change from conditional to permitted use.
8. Medical Offices: change from conditional to permitted use.
9. General Retail Sales Convenience: keep as prohibited
10. General Retail Sales: keep as prohibited.

If you have any questions at all or would like to discuss further, please do not hesitate to call.

Sincerely,

A handwritten signature in black ink that reads 'Susan Benz'. The signature is written in a cursive style with a horizontal line extending to the right.

Susan Benz, Chair

East Cesar Chavez Neighborhood Planning Team

Chaffin, Heather
