

Recommendation for Water & Wastewater Commission

Commission Meeting Date:	October 9, 2019
Council Meeting Date:	November 14, 2019
Department:	Purchasing Office
Client:	Daryl Slusher, Jay Porter

Agenda Item

Authorize award of a multi-term contract with Clean Earth of Alabama, Inc., to provide collection, transportation, processing, and disposal of hazardous waste, for up to five years for a total contract amount not to exceed \$4,440,000. This is a multi-department contract. Austin Water's requested authorization is \$140,000.

AMOUNT AND SOURCE OF FUNDING

Funding in the amount of \$25,667 is available in the Fiscal Year 2019-2020 Operating Budgets of Austin Water. Funding for the remaining contract term is contingent upon available funding in future budgets.

Purchasing Language:	The Purchasing Office issued an Invitation for Bids (IFB) 1500 SLW1025 for these services. The solicitation issued on June 10, 2019 and it closed on July 16, 2019. Of the four offers received, the recommended contractor submitted the lowest responsive offer. A complete solicitation package, including a tabulation of the bids received, is available for viewing on the City's Financial Services website, Austin Finance Online. Link: Solicitation Documents.
Prior Council Action:	N/A
Boards and Commission Action:	October 9, 2019 – To be reviewed by the Water and Wastewater Commission.
MBE/WBE:	(Note: This solicitation was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9C Minority Owned and Women Owned Business Enterprise Procurement Program. For the services required for this solicitation, there were no subcontracting opportunities; therefore, no subcontracting goals were established).

The City operates the Household Hazardous Waste Collection Facility (HHW) as a permanent component of the Recycle and Reuse Drop-Off Center. Six days per week, household hazardous waste is collected by the City and stored at the HHW in accordance with regulations specified by the Texas Commission on Environmental Quality (TCEQ) and the US Environmental Protection Agency (EPA). This facility provides an environmentally safe and convenient program for the collection of unwanted chemicals such as pesticides, herbicides, auto care products, and cleaning agents. Over the past five years, approximately 139,000 households have utilized HHW disposal and recycling services, and over 9.1 million pounds of hazardous waste have been collected and properly managed at the facility, diverting these hazardous materials from disposal in municipal landfills.

The contractor will collect, transport, process, and dispose of household hazardous waste collected at the HHW, as well as hazardous waste generated by the City at industrial City facilities. The contractor will also provide emergency response remediation services for hazardous and non-hazardous solid waste spills on City property. The contractor will perform all work in accordance with the TCEQ, Title 30 of the Texas Administrative Code, Chapter 330 Solid Waste Management Regulations, and the latest Code of Federal Regulations concerning hazardous waste. All disposal sites utilized by the contractor are and shall remain licensed by the U.S. EPA and/or the TCEQ or a respective state agency.

The current contract expires December 26, 2019. This contract will allow City departments to continue participating in hazardous waste diversion efforts. The requested authorization amount was determined using departmental estimates based on historical spend and future usage.

Contract Detail:

TOTAL	5 yrs.	\$4,440,000
Optional Extension 2	1 yr.	\$888,000
Optional Extension 1	1 yr.	\$888,000
Initial Term	3 yrs.	\$2,664,000
Contract Term	Length of Term	Contract Authorization

Note: Contract Authorization amounts are based on the City's estimated annual usage.

PRICE ANALYSIS

- a) Solicitations: 122 notices were sent, including 3 MBE and 6 WBE firms with no M/WBE firms responding.
- b) Cost Analysis: The proposed contract represents an 8% price increase. The Index supports a 19% increase.

BID TABULATION CITY OF AUSTIN COLLECTION, TRANSPORTATION, PROCESSING, AND DISPOSAL OF HAZARDOUS WASTE

IFB 1500 SLW1025 Solicitation No. RQM 1500 19041200452 RX NO. 7/16/2019

Opening Date: Sandy Wirtanen Buyer:

Receipt No. Clean Harbors Env tericycle Environental Solutions Inc Vendor Name Trans-Environmental Services, LLC Clean Earth of Alabama, Inc Services Inc. Local Presence (Y/N) MBE/WBE

Special Instructions: Offerors must use this Bid to submit pricing. Be advised that altering the bid sheet or taking exceptions to any portion of the solicitation may jeopardize acceptance of your Offerors

The quantities noted below are estimates and not a guarantee of actual volume. The City does not guarantee the purchase of the quantities listed, actual purchases may be more or less. Quantities are provided as a guide based on historical or anticipated usage. Order quantities will be as-needed and specified by the City for each order.

A bid of "0" (zero) will be interpreted by the City as a no-charge (free) item and the City will not expect to pay for that item. A bid of "no bid" or no response (space left blank) will be interpreted by the City that the Offeror does not wish to bid on that item. Be advised, a "no bid" or no response may be considered as non-responsive and may result in disqualification of the proposal.

Bidder submits the following prices for all Bidder setup and preparation, labor, equipment, materials, and services necessary for the categorization, packaging, collection, transportation, processing, and disposal of hazardous wastes per the specification.

	tionally disposed of through HHW programs. If a recycling option exists, please	CATE	EGORY A	- ITE	MS PICKED UI	PAT HHW
