

Dean Keeton Street and I-35

- **Requestor:** John Koonz, BAC member
- **Presenter:** Ben Trettel
- **Objective:** The purpose of this item is for Ben Trettel, Austin resident and student at UT, to present his study on how cars and cyclists interact at the Dean Keeton/I35 intersection. (see [Bike Austin Info forum discussion](#) for context)
- **Estimate of time needed for item:** 10-15 mins
- **Time-sensitivity:** N/A, but October is preferred as sponsor Koonz's BAC term will expire after October
- **Other:** Given the changes being made to traffic patterns in the area around UT, this presentation could provide some useful insights and data about how cars and bikes interact in this area.

Land Development Code Revision Update

- **Requestor:** Kathryn Flowers, BAC Chair
- **Presenters:** Danielle Morin, Austin Transportation Department
- **Objective:** Staff to provide BAC and update on the status of the LDC revision generally, as well as brief the BAC on the current draft LDC's proposed approach to development review/mitigation as it relates to active transportation infrastructure, bicycle parking, etc.
- **Estimate of time needed for item:** 30-45 mins
- **Time-sensitivity:** October is preferred as Planning Commission public hearing is scheduled for October 26, with Planning Commission action anticipated as early as November
