Additional Backup Information:

If approved, the resolution will allow Austin Affordable PFC, Inc. (the Issuer), a public facilities corporation created under Texas Local Government Code Section 303.002, and affiliated with the Housing Authority of the City of Austin (HACA), to issue Multi-family Housing Revenue bonds to help finance development of a new 204-unit multi-family rental development to be located in District 1.

The applicant for bond financing is Bridge at Loyola Lofts, LP, an affiliate of The NRP Group, LLC. The developer will also be applying for an award of non-competitive 4% tax credits from the Texas Department of Housing and Community Affairs.

The Issuer has induced the issuance of up to \$30,000,000 in Multi-family Housing Revenue Bonds that will partially fund this new construction development. On September 9, 2019 the Issuer conducted the public hearing required under the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA). A certified copy of the public notice of the TEFRA hearing as published in the Austin American-Statesman and a transcript of the TEFRA hearing is included in backup.

TEFRA requires that the local governmental entity in which the project is located give its approval for the bonds to be issued. Approving the issuance of these bonds does not constitute any obligation of the City with respect to repayment of the bonds. Since the Issuer has demonstrated compliance with TEFRA, staff recommends approving the resolution.

The proposed development's application to the City, as well as socioeconomic and amenities in the surrounding area, may be found at <https://austintexas.gov/page/current-applications>.
