Cara: Greg Underwood and I met with the architect and builder for 1716 W. 34th St, as part of Bryker Woods' HLC review committee. We noted that they had already made a couple of changes based on their earlier meeting with COA HLC. We made several other suggestions which we feel will make the proposed new home fit into the neighborhood and they were willing to accept our suggestions. We felt we had a good, productive meeting with them.

Our official standing, as the Bryker Woods Neighborhood Association is that we do Not Oppose this plan.

Thank you.

Bill Woods, Bryker Woods NA HLC
