Suggested Motion for Amendment:

I move to amend the ordinance to add language clarifying that the 500-year floodplain as depicted on the FEMA Flood Insurance Rate Map will include revisions that are already in process for the South Brushy Creek and Onion Creek watersheds.

Ordinance Language (to be provided to the city clerk): a new part, to be inserted between existing Parts 31 and 32, with subsequent parts renumbered accordingly:

Part __. For the purposes of this ordinance, references to the 500-year floodplain as depicted on the FEMA Flood Insurance Rate Map as of January 6, 2016, as subsequently revised, will include revisions already in process for the South Brushy Creek watershed, to be dated December 20, 2019, and for the Onion Creek watershed, to be dated January 22, 2020.
