*** External Email - Exercise Caution ***

Hi Maureen

This email is to request an indefinite postponement of the 200 Academy neighborhood plan amendment at the hearing on the 14th. We do not wish to pursue the NPA until the code revision process is complete so we know exactly what to request.

Thank you for your help in navigating this process. I will attend the hearing on the 14th in case the PC has questions.

Best,

Richard Weiss, AIA
President
