## For More Information:
Rosie Truelove, Director, Neighborhood Housing and Community Development, 512-974-3064; Mandy DeMayo, Community Development Administrator, Neighborhood Housing and Community Development, 512-974-1091.

## Additional Backup Information:
DMA Development Company, LLC, or an affiliated entity, will submit an application to the Texas Department of Housing and Community Affairs (TDHCA) for competitive 9% Low Income Housing Tax Credits (LIHTC). The applicant will receive a certain number of points based on Council's action. During the TDHCA scoring process, an application that receives a resolution of support will receive more points than an application that receives a resolution of no objection.

The resolution states that Council supports the proposed development because the proposed development is located in a high opportunity area. The resolution also acknowledges and confirms that the City has more than twice the state average of units per capita supported by Housing Tax Credits or Private Activity Bonds.

Depending on the location of the proposed development, the resolution may do one or more of the following: (a) acknowledge that the proposed development will be located one linear mile or less from another development that serves the same type of household and received an allocation of Housing Tax Credits (or private activity bonds) within the last three years; (b) acknowledge that the proposed development is located in a census tract with more than 20% housing tax credits per total households; (c) allow the new construction of the proposed development; (d) acknowledge that the proposed development is located in a census tract with a high poverty rate; and (e) affirm that the proposed development is consistent with the City's obligation to affirmatively further fair housing.

The proposed development will be located at or near 6306 McNeil Drive, Austin, TX 78729, which is located in District Number 6. More information on the proposed project, socioeconomic characteristics and amenities in the surrounding area can be found at <http://www.austintexas.gov/LIHTC-9Pct-App>.
