**CONDITIONAL USE PERMIT REVIEW AND EVALUATION CRITERIA**

The following evaluation is included to provide staff position on each point of the conditional use permit criteria. Section 25-5-145 of the Land Development Code states: "The Commission shall determine whether the proposed development or use of a conditional use site plan complies with the requirements of this section.

**A conditional use site plan must:**

1. **Comply with the requirements of this title;** Staff response: This application complies with the requirements of this title.
2. **Comply with the objectives and purposes of the zoning district;** Staff response: This application complies with the objectives and purposes of the zoning district.
3. **Have building height, bulk, scale, setback, open space, landscaping, drainage, access, traffic circulation, and use that are compatible with the use of an abutting site;** Staff response: This application is compatible with the abutting sites.
4. **Provide adequate and convenient off-street parking and loading facilities;** Staff response: Adequate parking and loading facilities have been provided.
5. **Reasonably protect persons and property from erosion, flood, fire, noises, glare, and similar adverse effects;** Staff response: The proposed project does not contribute to any of these adverse effects.

**A conditional use site plan may not:**

1. **More adversely affect an adjoining site than would a permitted use;** Staff response: The site plan will conform with all regulations and standards established by the Land Development Code prior to its release.
2. **Adversely affect the safety or convenience of vehicular or pedestrian circulation, including reasonably anticipated traffic and uses in the area;** Staff response: The project is not anticipated to have any detriment to safety or convenience.
3. **Adversely affect an adjacent property or traffic control through the location, lighting, or type of signs;** Staff response: No signage or lighting is proposed that would affect adjacent properties or traffic control.
