<b>Department:</b>	Purchasing		
<b>Client:</b>	Danielle Lord		

**SUBJECT**

Recommend approval to authorize and award a multi-term contract with Core and Main, L.P., to provide polyvinyl chloride wastewater line fittings, for up to five years for a total contract amount not to exceed \$1,378,000.

**AMOUNT AND SOURCE OF FUNDING**

Funding in the amount of \$183,733 is available in the fiscal Year 2019-2020 Operating Budget of Austin Water. Funding for the remaining contract term is contingent upon available funding in future budgets.

<b>Purchasing Language:</b>	The Purchasing Office issued an Invitation for Bids (IFB) 2200 OXV1031 for these goods. The solicitation issued on October 28, 2019 and it closed on November 21, 2019. Of the three offers received, the recommended contractor submitted the lowest responsive offer. A complete solicitation package, including a tabulation of the bids received, is available for viewing on the City's Financial Services website, Austin Finance Online. Link: <a href="#">Solicitation Documents</a> .
<b>Prior Council Action:</b>	N/A
<b>Boards and Commission Action:</b>	February 12, 2020 – To be reviewed by the Water & Wastewater Commission.
<b>MBE/WBE:</b>	This solicitation was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9D Minority Owned and Women Owned Business Enterprise Procurement Program. For the goods required for this solicitation, there were no subcontracting opportunities; therefore, no subcontracting goals were established.

The contract will provide polyvinyl chloride (PVC) wastewater line fittings of various types and sizes. These fittings will be purchased on an as needed basis and stored in Austin Water's Webberville storeroom and Glen Bell Service Center. The fittings will be used by valve and hydrant crews, pipeline maintenance crews and television inspection crews. These fittings will also be used by the water treatment plants for repairs and installations of PVC water lines.

The contract will combine two current contracts which expire on February 26, 2020. The requested authorization amount was determined using departmental estimates based on historical spend. Core and Main, L.P. is one of the two current providers of these goods.
