~\$2 Million

Construction Timelines 2021-2024

IMPLEMENTATION APPROACH

CORRIDOR

ANTICIPATED OUTCOMES

CORRIDORS FOR COMPLETE COMMUNITIES

Top Left & Bottom Left: Examples of elements to be included in this project, similar to installation in Minnesota and Philadelphia.

Above: Project site location

KEYS TO SUCCESS

- **Robust Coordination**
 - City Departments
 - Other Agencies
 - Community Stakeholders
- **Integrated Program Management approach**
 - Co-location = enhanced collaboration, integration
 - CPO, Consultant teams, other dept staff
 - **One Team, One Goal Approach**
- **Accelerated delivery resource teams**
- **Innovative delivery methods**
