## Pre-K Partnerships: A Success By 6 / AISD Collaboration

### JOIN OUR COMMUNITY OF HIGH-QUALITY CENTERS

Children who participate in high-quality pre-K are more likely to enter Kindergarten ready to succeed in school and beyond. That's why we partner with child development centers in the Austin community to deliver high-quality pre-K and provide partnership centers with resources that help them improve and sustain quality services for children.

United Way for Greater Austin is the community administrator for Pre-K Partnerships, and we are seeking high-quality centers serving children from families with low income to partner with – to provide onsite pre-K to eligible children.

### HOW IT WORKS

Eligible pre-K children are co-enrolled in Austin ISD, and centers deliver a 3-hour pre-K program within their typical program day. During the 3-hour program, centers will follow Pre-K Partnership program standards.

### PARTNER CENTERS HAVE ACCESS TO...

- Up to **\$3,000** per year for every eligible pre-K child co-enrolled
- Volunteer supports
- High-quality trainings
- One-on-one coaching
- Technical assistance related to Pre-K Partnerships
- Networking opportunities
- Teacher recruitment supports

**CONTACT US TODAY TO FIND OUT IF YOUR CENTER IS ELIGIBLE TO PARTICIPATE!**

### Success By 6

Creating a future in which all children in our community enter Kindergarten healthy, happy, and ready to succeed in school and life.

**United Way for Greater Austin** leads the Success By 6 Coalition, bringing together school, city, and county officials, nonprofits, and parents to improve the network of support systems for children. Together, we're ensuring our youngest community members start out life on an even playing field.
