Re: Proposed Senna Hills Land Use Plan Amendment / EISD

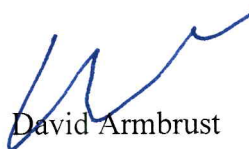

Dear Virginia:

As you will recall earlier this year, Rip Miller proposed to amend the Senna Hills MUD Land Use Plan to exclude "school designation" from a particular site. Eanes ISD was not aware of the application until it was on the Council agenda. The District filed an objection with the City indicating the site was under consideration for school or other District purposes. The purpose of this letter is to withdraw the prior objection after a closer review of the site.

On behalf of the District, we appreciate your assistance with this matter and the City's courtesy in allowing the District time to evaluate the tract in question.

Thank you for your consideration.

Very truly yours,

David Armbrust
