

**Exhibit B - Cancelled Quarter Cent Projects**

| District                            | Program                       | Project Name  | Original Budget | Status    | Update   | Remaining Funds* |
|-------------------------------------|-------------------------------|---|-----------------|-----------|--|------------------|
| 1                                   | Sidewalk Program              | Hog Eye Rd Sidewalks  | \$63,000        | Cancelled | After further investigation, it was determined that 100% of the right-of-way within the project limits belongs to Travis County. | \$63,000         |
| 1                                   | Street Geometric Improvements | Intersection Improvements on Northbound Johnny Morris Rd at Loyola Ln | \$243,000       | Cancelled | Based on turning movement counts, ATD does not recommend a left-turn lane on northbound Johnny Morris Rd at Loyola Ln.           | \$243,000        |
| 1                                   | Signals Program               | New Traffic Signal at E Howard Ln and Cantarra Dr                     | \$200,000       | Cancelled | This project is cancelled because, based on engineering criteria, this location does not warrant a traffic signal .              | \$200,000        |
| <b>District 1 Returning Balance</b> |                               |   |                 |           |  | <b>\$506,000</b> |

| District                            | Program                       | Project Name   | Original Budget | Status    | Update   | Remaining Funds* |
|-------------------------------------|-------------------------------|--|-----------------|-----------|--|------------------|
| 3                                   | Local Area Traffic Management | Local Area Traffic Management on Ledesma Rd at Springdale Rd | \$10,000        | Cancelled | This location does not qualify for speed mitigation through the former Local Area Traffic Management (LATM) Program. | \$10,000         |
| 3                                   | Signals Program               | Traffic Signal at S 1st St and El Paso St                    | \$200,000       | Cancelled | This location did not warrant a traffic signal based on engineering criteria; therefore, this project is cancelled.  | \$200,000        |
| <b>District 3 Returning Balance</b> |                               |  |                 |           |  | <b>\$210,000</b> |

| District | Program          | Project Name                            | Original Budget | Status    | Update                           | Remaining Funds* |
|----------|------------------|---|-----------------|-----------|----------------------------------|------------------|
| 7        | Sidewalk Program | 12241 - 12313 Running Bird Ln Sidewalks | \$93,840        | Cancelled | This project has been cancelled. | \$84,456         |
| 7        | Sidewalk Program | 12314 - 12411 Running Bird Ln Sidewalks | \$31,200        | Cancelled | This project has been cancelled  | \$28,080         |

**Exhibit B - Cancelled Quarter Cent Projects**

|                                     |                               |  |           |           |   |                  |
|-------------------------------------|-------------------------------|--|-----------|-----------|---|------------------|
| 7                                   | Local Area Traffic Management | Local Area Traffic Management on Justin Ln       | \$9,600   | Cancelled | After the completion of the new bicycle facility on Justin Ln, this project is no longer warranted and, therefore, cancelled.                 | \$9,600          |
| 7                                   | Local Area Traffic Management | Local Area Traffic Management on Shoalwood Ave   | \$3,200   | Cancelled | After re-evaluation of this location, this project does not warrant installing traffic calming devices; therefore, this project is cancelled. | \$3,200          |
| 7                                   | Signals Program               | New Traffic Signal at N Lamar Blvd and Banyon St | \$200,000 | Cancelled | This project has been cancelled because this location does not warrant a traffic signal based on engineering criteria.                        | \$200,000        |
| <b>District 7 Returning Balance</b> |                               |  |           |           |   | <b>\$325,336</b> |

| District | Program                       | Project Name   | Original Budget | Status    | Update   | Remaining Funds* |
|----------|-------------------------------|--|-----------------|-----------|--|------------------|
| 10       | Local Area Traffic Management | Local Area Traffic Management on Woolridge Dr                    | \$22,700        | Cancelled | Because of low speeds this location did not warrant speed mitigation devices; therefore, this project was cancelled. | \$22,700         |
| 10       | Traffic Engineering           | 3-way Stop Sign at Mountain Ridge Dr and Hyridge Dr              | \$600           | Cancelled | This project was completed December 2016 using other ATD funds; therefore, this project has been cancelled.          | \$600            |
| 10       | Traffic Engineering           | 3-way Stop Sign at Wildridge Dr and Westover Club Dr             | \$600           | Cancelled | This project was completed December 2016 using other ATD funds; therefore, this project has been cancelled.          | \$600            |
| 10       | Traffic Engineering           | Pedestrian Crossing Sign at Exposition Blvd and Casis Village    | \$200           | Cancelled | This project was completed December 2016 using other ATD funds; therefore, this project has been cancelled.          | \$200            |
| 10       | Traffic Engineering           | Pedestrian Crossing Sign on Hillview Rd, west of Exposition Blvd | \$200           | Cancelled | This project was completed December 2016 using other ATD funds; therefore, this project has been cancelled.          | \$200            |

**Exhibit B - Cancelled Quarter Cent Projects**

|    |                     |  |       |           |   |                 |
|----|---------------------|--|-------|-----------|---|-----------------|
| 10 | Traffic Engineering | Pedestrian Crossing sign on Exposition Blvd north of Westover Rd | \$200 | Cancelled | This project was completed December 2016 using other ATD funds; therefore, this project has been cancelled. | \$200           |
|    |                     |  |       |           | <b>District 10 Returning Balance</b>  | <b>\$24,500</b> |
