

MEMORANDUM

TO: Mayor and City Council

FROM: Rondella Hawkins, Officer
Telecommunications and Regulatory Affairs Office

DATE: April 16, 2020

SUBJECT: Resolution No. 20200409-033 – Update on Code Amendments to Credit Access Business Ordinance

On April 9, 2020 City Council adopted Resolution No. 20200409-033 which directed the City Manager to update the City's Credit Access Business regulations to address concerns raised by Texas Attorney General Opinion KP0277, and to present Code amendments to Council for approval by April 23, 2020.

TARA, the Law Department, and Municipal Court prosecutors have made significant progress in reviewing the applicable Code provisions. However, these regulations are highly technical, which means that staff needs additional time to work through legal and practical issues before the code amendment can be finalized.

Staff will bring back these Code amendments to City Council no later than May 21, 2020.

Please feel free to contact me at 512-974-2422 or Rondella.Hawkins@austintexas.gov if you have any questions.
