Planning Commission

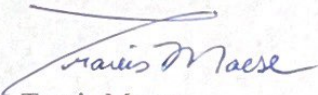

Re: 218 S. Lamar

To Whom It May Concern:

The Bridges on the Park Homeowners Association has worked with the applicant and will be entering a private restrictive covenant for enforceability of the PUD items. With the execution of the restrictive covenant the Bridges on the Park Condominiums supports the proposed rezoning of the project.

If there are any questions you may have, please feel free to contact us.

Sincerely,

Travis Maese
President
Bridges on the Park HOA
