

ZONING CHANGE REVIEW SHEET

CASE: C14-2020-0036 – 827 W. 12th Street

DISTRICT: 9

ZONING FROM: DMU-CO

TO: DMU-CO (requesting a change in condition)

ADDRESS: 827 W. 12th Street

SITE AREA: 0.56 acres

PROPERTY OWNER:

TDC West Twelfth LP

AGENT:

Drenner Group, PC (Amanda Swor)

CASE MANAGER: Kate Clark (512-974-1237, kate.clark@austintexas.gov)

STAFF RECOMMENDATION:

Staff recommends Downtown Mixed Use– Conditional Overlay (DMU-CO) combining district zoning. The conditional overlay is a height limit of 90 feet. For a summary of the basis of staff's recommendation, see page 2.

PLANNING COMMISSION ACTION / RECOMMENDATION:

May 12, 2020

Approved staff's recommendation of DMU-CO on the consent agenda. (13-0) [P. Seeger, G. Anderson – 2nd].

CITY COUNCIL ACTION:

June 4, 2020

Scheduled for City Council

May 21, 2020

Approved staff's postponement request to June 4, 2020 on the consent agenda. (11-0) [D. Garza, L. Pool – 2nd].

ORDINANCE NUMBER:

ISSUES

This property was rezoned from CS to DMU-CO last year (Ordinance No. 20190620-124) which limited the height of buildings to 60 feet. At the time of the previous rezoning case, the applicant had intended to utilize the Downtown Density Bonus Program for increased entitlements. It was unclear at that time that by limiting the building height to 60 feet through a conditional overlay, the CO would prevent the applicant in moving forward with a taller building height even if they fully participated in the Downtown Density Bonus Program. Therefore, in order to construct the building that is currently under review (case # SP-2019-0390C), a zoning change is necessary to increase the maximum allowable building height. The applicant and Neighborhood Association have agreed upon a private restrictive covenant (RC). This private RC lays out terms on what the maximum development entitlements are and how the applicant may earn them.

Staff has received correspondence for this case and is included in *Exhibit C: Correspondence Received*.

CASE MANAGER COMMENTS:

The property is zoned DMU-CO and currently has four buildings located onsite: a commercial retail store, two office/warehouse buildings dedicated to professional reprographics, and one single-family style structure being used as an office. The first three buildings are configured around a parking lot with the single-family style building behind these.

This property is on the south side of West 12th Street. Across the street to the north are parcels zoned CS containing the ACC Rio Grande Parking Garage, retail shops and a café. To the east of the property are also CS zoned parcels, containing offices within a mixture of repurposed single-family and modern style structures. To the south and southwest of the property are parcels zoned MF-4, GO and LO. The GO and LO parcels have a mixture of office uses contained within a combination of repurposed single-family and traditional office style buildings, and the MF-4 parcel has a two-story condominium complex built on it. Directly west of the property is a commercial art gallery, see *Exhibit A: Zoning Map and Exhibit B: Aerial Map*.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the goals and objectives of the City Council.*

Last year Council approved Ordinance No. 20191031-037 amending City Code Section 25-2-586 (Downtown Density Bonus Program) to modify the Downtown Density Bonus Map. This ordinance was to correct a mapping discrepancy for this property at 827 W. 12th Street. The original boundary for the Downtown Density Bonus Program (DDBP) area split this lot with approximately 14,866 square feet (61% of the lot) allowing participation and the remainder not allowing participation. Staff recommended an amendment to the map to include the entire lot within the allowable DDBP area. The Planning Commission and Codes and Ordinance Joint Committee recommended the amendment and Council approved the

Ordinance. Granting DMU-CO would allow the applicant to construct a building with increased entitlements that complies with the DDBP.

EXISTING ZONING AND LAND USES:

	Zoning	Land Uses
Site	DMU-CO	Commercial
North	CS (north across W. 12 th Street)	Educational Facility and Commercial
South	MF-4, LO, GO	Multifamily Residential and Office
East	CS	Office
West	CS	Commercial

NEIGHBORHOOD PLANNING AREA: Downtown

TIA: The TIA shall be deferred until the time of site plan when final land uses and intensities are known.

WATERSHED: Shoal Creek (urban)

OVERLAYS: Criminal Justice Center

SCHOOLS: Matthews Elementary, O Henry Middle School, Austin High School

C14-2016-0110 West House LLC 1005 West Ave	MF-4 to DMU-CO, as amended	Approved DMU-CO	Approved DMU-CO, CO for 60 ft height limit
C14-2011-0010 821 West 11th	MF-3 to DMU	Approved DMU-CO	Approved DMU-CO, CO for max height of 40 ft, min front yard setback, prohibited uses, limit of 2,000 vehicle trips per day

RELATED CASES:

SP-2019-0390C: The applicant is proposing a multi-family development with parking and other associated improvements.

C14-2019-0050: to rezone the property from CS to DMU-CO, CO was to limit building height to a maximum of 60 feet in height.

EXISTING STREET CHARACTERISTICS:

Street	ROW	Pavement	Classification	Sidewalks	Bike Route	Capital Metro (within ¼ mile)
W. 12th Street	80'	52'	3	Yes	Yes	Yes

OTHER STAFF COMMENTS:

Comprehensive Planning

The Urban Design staff supports the request for height increase to 90 feet as Ordinance Number 20191031-037 amends City code section 25-2-586 (Downtown Density Bonus) to modify the Downtown Density Bonus Maps, which allows for additional FAR and height increase.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Shoal Creek Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. Zoning district impervious cover limits apply in the Urban Watershed classification.

According to floodplain maps there is a floodplain within or adjacent to the project location. Based upon the location of the floodplain, offsite drainage should be calculated to determine whether a Critical Water Quality Zone exists within the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

This site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 square feet cumulative is exceeded, and onsite control for the two-year storm.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential. Additional design regulations will be enforced at the time a site plan is submitted. The subject property is included in an existing site plan application (case # SP-2019-0390C).

Downtown Austin Plan

The property is subject to the Downtown Austin Plan. Additional comments will be made when the site plan is submitted.

Subchapter E: Commercial Design Standards and Mixed Use

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Compatibility Standards

Per the Downtown Austin Plan's Proposed Compatibility Zones and Standards, the subject property is identified as a property to be removed from existing compatibility standards within the Land Development Code. Therefore, compatibility standards will not apply when a site plan is submitted.

Demolition and Historic Resources

The applicant is responsible for requesting relocation and demolition permits once the site plan is approved. The City Historic Preservation Officer will review all proposed building demolitions and relocations prior to site plan approval. If a building meets city historic criteria, the Historic Landmark Commission may initiate a historic zoning case on the property.

Justice Center Overlay

The property is within the Criminal Justice Center overlay. Please refer to Land Development Code Section 25-2-177.

Residential Design Standards Overlay

The site is subject to 25-2 Subchapter F. Residential Design and Compatibility Standards.

Transportation

The Austin Strategic Mobility Plan (ASMP) adopted 04/11/2019, calls for 80 feet of right-of-way for West 12th Street. Existing right-of-way appears sufficient but will be reviewed at the time of site plan. A traffic impact analysis should be deferred until the time of site plan when final land uses and intensities are known.

Austin Water Utility

The landowner intends to serve the site with City of Austin water, reclaimed, and wastewater utilities in accordance with the approved Service Extension Requests. The landowner, at own expense, will be responsible for providing any water, reclaimed, and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water, reclaimed, and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

Depending on the development plans submitted, water, reclaimed, and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water, reclaimed, and wastewater utility tap permit.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será revisada y se tomarán medidas en dos reuniones públicas diferentes: antes de la Comisión de Usos Urbanos y el consejo municipal. Aunque se espera que solicitantes y/o su(s) agente(s) se presenten en una audiencia pública, usted no está obligado de atender. Esta reunión se llevará a cabo en línea a través de internet y tiene la oportunidad de hablar A FAVOR o EN CONTRA del propuesto desarrollo o cambio. Póngase en contacto con el administrador de casos para información sobre cómo participar en la audiencia pública en línea a través de internet. Usted también puede contactar organizaciones ambientales o asociaciones de vecinos que han expresado interés en una aplicación que afecta a su vecindario.

Durante la audiencia pública, la comisión podría postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rézonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedida. En ningún caso se otorgara una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, *Mixed-use (MU) Combining District*, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos el los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la *Internet*: www.austintexas.gov/planning.

Comentarios escritos deberán ser sometidos a la comisión (o a la persona designada en la noticia oficial) antes de la audiencia pública. Sus comentarios deben incluir el nombre de la comisión, la fecha de la audiencia pública, y el número de caso de la persona designada en la noticia oficial.
