Council Committee, Boards and Commission Action:

May 13, 2020 - Recommended by the Airport Advisory Commission on a 6-0 vote, with Commissioners E. Sepulveda, Saulmon, Owens, and V. Sepulveda absent.

Additional Backup Information:

The contract will provide original equipment manufacturer resources for preventative maintenance, emergency repair services, and associated repair parts for passenger boarding bridges located at the Austin-Bergstrom International Airport. Services under the contract will include annual passenger boarding bridge operation inspections, unscheduled service calls, and on-site training for airport technicians. Parts will be purchased and stocked by the Aviation Department for routine and emergency repairs as well as preventative maintenance.

ThyssenKrupp Airport Systems Inc. is the original equipment manufacturer for many of the airport's passenger boarding bridge components and the repair parts and services for these components are only available from the manufacturer. Authorization amounts for this contract are based on departmental estimates including an

anticipated increase due to the airport expansion.
