

Motion Sheet Re Agenda Item # 96

Council meeting: June 11, 2020

Motion Made By: CM Tovo

Proposed Amendments to the Revised Draft Resolution (Version 2) posted on 6/10/20:

1. For the 4th bullet point under the second Be It Resolved on Page 5:

“Funds alternative public safety and public health strategies such as, but not limited to, training and standards for trauma-informed responses, substance abuse, mental health responses, victims services counselors, developing and implementing a comprehensive and community-informed community policing standard, COVID-19 relief, social services, education, workforce development, housing stability programs, family violence prevention and family violence sheltering strategies funded through the Austin Public Health or Neighborhood Housing and Community Development Departments, housing-focused case management for individuals experiencing homelessness, human trafficking prevention, and other preventative actions and alternatives;”

2. For the 11th bullet point under the second Be It Resolved at the bottom of Page 7:

“Increases staffing for mental health first response, such as Community Health Paramedics, the Expanded Mobile Crisis Outreach Team (EMCOT), and the Homelessness Outreach Street Team (HOST) to ensure the full implementation of an alternative response to 911 calls related to mental health;”
