## Austin Convention Center Marshalling Yard and Warehouse AIPP Project

Artwork Budget: \$100,000

### Project Summary

The City of Austin Art in Public Places (AIPP) program of the Cultural Arts Division, Economic Development Department seeks to commission a local artist or artists to create a durable, permanent exterior public artwork at the site of the new Austin Convention Center Marshalling Yard and Warehouse. The artist will engage with members of the community to develop a design for the artwork—which might be an exterior mural on the facade of the warehouse or, alternatively, a freestanding work located elsewhere at the site. AIPP and the artist will work closely with the project team to determine the medium and exact artwork location.
