

Healthy Streets Initiative

Requestor: Christopher Heathcott, BAC chair, on behalf of Chris Riley/Bike Austin

Item objective: Receive an update from staff on implementation of the [Healthy Streets Initiative](#), the result of [City Council direction](#) to staff to facilitate safe, socially distanced walking, bicycling, outdoor exercise and active transportation on neighborhood streets and discourage automobile through-traffic while still allowing local automobile access during the COVID-19 pandemic.

Time-sensitivity: N/A, but program is well underway, with [installation of “Batch 2”](#) imminent.

Proposed 2020 Safe Mobility Bond

Requestor: Kathryn Flowers, BAC member

Item objective: Discuss the [Austin Outside](#) coalition’s [“Safe Mobility Bond” proposal](#) and consider approving a recommendation in support.

Time-sensitivity: Must be taken up at July BAC meeting due to August deadline for Council to place such a bond on the November 2020 ballot.
