---

### **Posting Language**

Authorize execution of an interlocal agreement with Blanco County authorizing the City to perform installation, maintenance and repair services for the County's radio communication equipment consistent with the Greater Austin/Travis County Regional Radio System.

### **Lead Department**

Communications and Technology Management

### **Fiscal Note**

Blanco County will reimburse the City of Austin for services and parts used for installations, repairs, and maintenance of communications equipment. There is no impact to City of Austin Wireless Services Budget as a result of this agreement.

### **For More Information:**

Inquiries should be directed to the Acting Manager of Wireless Communications, Robert Turner at 512-972-3209 or [robert.turner@austintexas.gov](mailto:robert.turner@austintexas.gov)

### **Additional Backup Information:**

As the program manager for the Greater Austin/Travis County Regional Radio System (GATRRS), City of Austin - Wireless Communications Division has the expertise to provide communications equipment installation, maintenance and repairs for all City of Austin Departments. This interlocal agreement will allow City of Austin Wireless Communications Division to provide those same services to Blanco County on a reimbursement basis. This ensures that the communications equipment utilized by Blanco County will be installed, maintained and repaired in a manner consistent with standards used for GATRRS.

### **Strategic Outcome(s):**

Safety; Government that Works for All
