Council Committee, Boards and Commission Action:

July 8, 2020 - Recommended by the Airport Advisory Commission on a 9-0 vote, with Commissioner Owens absent.

Additional Backup Information:

The contract will provide telephone technical support and onsite services for the baggage handling system (BHS) located at Austin-Bergstrom International Airport. The support will include assistance with

troubleshooting and modifying all software and hardware in relation to maintaining the BHS functionality in order to meet the federally mandated regulations and ensure safe air travel. The support services will be provided through a combination of telephone technical support and as needed an onsite technician. The BHS is comprised of two separate centralized conveyor systems designed to continuously feed checked bags to explosive detection scanners, where they are screened for explosives and then ultimately end up on the baggage carousals at the apron level for aircraft loading.

This contract will replace the existing contract expiring on August 3, 2020. The recommended contractor is not the current provider for these services.
