

Recommendation for Action

File #: 20-2661, **Agenda Item #:** 14.

8/27/2020

Posting Language

Authorize negotiation and execution of an interlocal agreement with the Capital Area Emergency Communications District authorizing the City to maintain and update the District's 9-1-1 GIS database on a cost reimbursement basis.

Lead Department

Communications and Technology Management

Fiscal Note

Estimated revenue from the Capital Area Emergency Communications District is \$606,388.90 for Fiscal Year 2020-2021.

Prior Council Action:

May 07, 2019: Council authorized negotiation and execution of an interlocal agreement with the Capital Area Emergency Communications District with the City to maintain the Austin and Travis County 9-1-1 database. The City was compensated for maintaining and updating the District's 9-1-1 GIS database during the period of April 1, 2020 through September 30, 2020 in an amount anticipated being up to \$299,302.85. The initial contract took effect on October 1, 2018 and extended for a period of two years until March 31, 2020.

For More Information:

Inquiries should be directed to the City Manager's Agenda Office, at 512-974-2991 or AgendaOffice@austintexas.gov <<mailto:AgendaOffice@austintexas.gov>> or to the Public Safety IT Manager for 9-1-1 GIS, Chandy Marler, at 512-974-0979 or chandy.marler@austintexas.gov <<mailto:chandy.marler@austintexas.gov>>

Council Committee, Boards and Commission Action:

Additional Backup Information:

The City has the authority under state law to name public roads and assign address numbers within its city limits and has entered into an agreement with Travis County to coordinate updates to the 9-1-1 GIS database for the unincorporated parts of Travis County. This annual Interlocal Agreement between the City and the Capital Area Emergency Communications District (CAECD) authorizes the City, under Chapter 791 of the Texas Government Code, to maintain and update the CAECD's 9-1-1 GIS database during the period of Oct 1, 2020 through September 30, 2021 and to be compensated for such work.

Strategic Outcome(s):

Safety.
