

Memo Regarding Case C14-2020-0049-PlanetK South Pop Rezone, Item 32 on the September 3 Austin City Council Agenda:

The applicant establishes the following conditions for outdoor sound mitigation efforts for the property at 1516 South Lamar Blvd:

- Amplified sound will end by 8:00pm Sunday through Thursday and no later than 10pm on Friday and Saturday nights;
- Establishments that operate on the property will adhere to the 70 decibel sound level at the property line; and
- Standard Operating Procedures will be given to all bands so they understand and adhere to these sound restrictions and policies

Thank you,

A handwritten signature in black ink that reads "Phil Moncada". The signature is written in a cursive, flowing style. Below the signature is a horizontal line.
