

Motion to amend Item 62, Rev2:

BE IT RESOLVED BY THE CITY COUNCIL IN THE CITY OF AUSTIN:

City Manager is directed to broadly explore and identify funding options to provide financial and equivalent assistance to support the sustainability of the most vulnerable and at-risk live-music venues, arts venues, restaurants/bars and childcare providers, which support workers who sustain those industries (including at staging companies, artist service organizations, studio spaces) and the unique culture of our city.
