SUBJECT: Resolution No. 20200312-042 – Extension request for permanent supportive housing / rapid rehousing programs related to people experiencing homelessness

On March 12, 2020, Council approved resolution 20200312-042, a resolution relating to individuals experiencing homelessness, permanent supportive housing programs, and rapid rehousing programs.

Austin Public Health (APH) continues to serve our most vulnerable populations with current efforts and resources focused on the COVID-19 response and recovery. COVID-19 continues to be a priority for APH and the community. APH has dedicated most of its staff and resources to combating COVID-19.

APH will continue to provide regular updates to Mayor and Council on the homelessness efforts. Staff requires additional time to provide a complete update for this resolution and will send it on October 15, 2020.
