# TREND: ANTI-CITY TONE: GOVERNOR ABBOTT

"As opposed to the state having to take multiple rifle-shot approaches at overriding local regulations, I think a broad-based law by the state of Texas that says across the board, the state is going to pre-empt local regulations, is a superior approach" \*

— Governor Greg Abbott, March 21, 2017

# TREND: ANTI-CITY LEGISLATION: POST 85<sup>TH</sup> SPECIAL SESSION

"Our cities are still controlled by Democrats...And where do we have all our problems in America? Not at the state level run by Republicans, but in our cities that are mostly controlled by Democrat mayors and Democrat city council men and women. That's where you see liberal policies. That's where you see high taxes. That's where you see street crime." \*

# TREND: ANTI-CITY TONE: POST 86<sup>TH</sup> SESSION

**"I just want the local governments to have a worse session next session, by ending taxpayer funded lobby and stealing their two pennies, putting them toward the taxpayers." - State Rep. Dustin Burrows (R-Lubbock), Ways & Means Chairman and Author of HB 2.**
