2. **Review of Resources List**
  - a. APD Budget Reallocations: <http://austintexas.gov/page/apd-budget>
  - b. Joint Report: Analysis of APD's Racial Profiling Data:  
<http://www.austintexas.gov/edims/document.cfm?id=347117>
  - c. Reimagining Public Safety SpeakUp Austin Page:  
<https://www.speakupaustin.org/reimaginingpublicsafety>
    - i. Community Input medium
    - ii. Lack of language access (even Spanish translations are not provided)
    - iii. Team has questions about how public is being adequately engaged for the district meetings and survey
  - d. Budget Summary for Reimagining Public Safety: <http://www.austintexas.gov/edims/document.cfm?id=347114>
    - i. presented by ACM Rey Arellano to AAQoL in Sept.

- e. Gov. Abbott's Back The Blue Pledge: <https://www.gregabbott.com/backtheblue/>
    - i. Governor's intent to limit City's reallocation/defunding of police departments
  - f. COA Public Safety Page: <https://austintexas.gov/publicsafety>
    - i. We found the information on the Share Input part of this page hard to navigate and does not accurately relate to the Speak Up Austin page about Reimagining Public Safety
    - ii. Hanna to reach out to Alicia Dean about recommendations to update the Share Input section
- 3. Questions for Rey**
- a. What is the number of police officers that actually go out into the community and how this may compare to other cities in Texas/similar to us? (i.e. Community Policing update and comparison to other Texas cities or cities similar to Austin)
  - b. What type of data/statistics is currently available (publicly or within City) that relate to Public Safety? Is there particular areas that the City is working on or does not have significant data? (e.g. 911 call data analysis, crime comparison by year data, APD response time)
  - c. What are some key lessons learned and challenges the City has been encountering in Reimagining Public Safety?
  - d. What selection criteria is used in the selection of Reimagining Public Safety Task Force members? Will additional members be added on a rolling basis or is the Task for complete?
  - e. What was the City's response to the Office of Police Oversight Commission's recommendations from 2018? <https://alpha.austin.gov/en/police-oversight/about-community-police-review-commission/>
  - f. Are citizens who volunteered for the APD Body Cam review panel receiving mental health support and resources from the City for their participation? We have heard of people stepping down from this panel due to how taxing it is to view large amounts of footage of APD handling calls.
- 4. Misc. Items**
- a. City has hired consultant for APD to look at applicant process & training programs like Cadet Academy
  - b. Is Pooja still an OPO representative?
  - c. Group should talk with Hailey (AACHI/Task Force) and AFSSA (victim services) to see how their needs fit into this project.
