Steve and Kalan- Ms. Radkey, the owner of 1208 W. 22nd, has asked me to submit the following supplemental information to be considered by the HLC.

In 2007, the house across the street- 1305 W. 22nd St- received historic landmark designation as the Goff-Radkey House.

The attachment is the City Council's "Zoning Change Information Sheet" from the meeting at which landmark status was approved.

We think this supplemental information is important and relevant because the staff recommendation on 1208 appears to be based largely on its association with the late Professor Oliver Radkey.

We believe that the fact that a neighboring property associated with him has already been granted historic landmark status and named the "Goff-Radkey House" should be considered by the Commission.

If possible, please provide this to the Commission members prior to the meeting.

Many thanks for your consideration of this supplemental information.

James Cousar
