Subject: D.6.0 - 910 W. Elizabeth Street: Request to postpone

*** External Email - Exercise Caution ***

Dear Commissioners:

I own a historic property in Bouldin Creek, a few blocks from this wonderful stone property. I respectfully request a postponement of this case:

D.6.0 - 910 W. Elizabeth Street.

To my knowledge, the applicant has not discussed options to total demolition with the neighborhood volunteers.

Several people in Bouldin have shared with me their concern that the structures of this applicant are so grossly out of proportion to the neighboring structures that they impact others' enjoyment of their property (such as high towers that block their sunlight).

I plan to speak at Monday's meeting should you have questions.

Thank you for your service!

Respectfully,

Paula Kothmann
