I am writing to state that I am against historical designation of these properties. (item numbers D.3 and D.4 2505 and 2504 Park View Dr.)

We have lived at 2504 Park View Drive since the late 90's and have lived in north central Austin throughout our adult lives. I have been in these homes and have seen the flooding and other structural issues presented in these homes.

My contact information is as follows: [REDACTED]

I would like to attend the phone meeting tomorrow and hope to be able to support Dominique Levesque in his efforts to create beautiful, energy efficient homes at these addresses.

sincerely, Sue Flores-Minick
