Dear Commissioners:

I'm a resident of the Travis Heights-Fairview Park National Register District. I respectfully request that you consider postponing the case for D.4 514 Academy Drive (HDP-2020-0424); .

- This property is a contributing property to our District
- Academy Drive has some of the most important historic homes in our District for Austinites and visitors to enjoy.
- The architect has not related to our committee how the proposed changes comply (or not) with your associates' important new Design Guidelines,

I plan to speak at the meeting on Monday and will be happy to answer any questions at that time.

Thank you for your consideration!

Kind regards,

Paula Kothmann  
Preservation Committee, SRCC
