Dear Commissioners:

I'm a resident of the Travis Heights-Fairview Park National Register District. I respectfully request that you consider postponing the case for D.6 1414 Alameda Drive (HDP-2020-0453).

- This property is a contributing property to our District.
- We appreciate the architect, who has reached out about the proposed replacement property. We asked him to describe the proposed changes against your new *Design Guidelines*. At this point we do not have that information.

I plan to speak at the meeting on Monday and will be happy to answer any questions at that time.

Thank you for your consideration!

Kind regards,

Paula Kothmann  
Preservation Committee, SRCC
