Dear Commissioners,

I'm a long-time resident of Fairview Park, and one of the neighbors who spent the past 15 years working toward our National Register historic district designation. I also volunteer on the SRCC's Preservation Committee but I'm writing as an individual and not on behalf of that group.

I am writing to ask the owners of **1016 Avondale Rd. GF-2020-175404** to please consider the Mid-Century Modern character of this home in their addition and to retain the streetview facade. I would also encourage them not to paint the natural stone. As the choice of fenestration will have such a big impact on the facade, I hope they will work with the Preservation office and their architect to select a period-appropriate style.

Thank you for your consideration,  
Melanie Martinez
