

Dear Historic District Members and Neighbors,

Our names are Riley and Elliot Jackson and we recently just purchased the home on 2102 ALTA VISTA.

We have been in Travis Heights for the past few years and can't imagine starting our little family anywhere else! We are due with our first baby boy in February!

We absolutely love the charm of this bungalow style house, and just want to create more space for our growing family. Our plans are to add on a master suite to the left side of the house and enclose the front porch to make some extra space in the living room. We plan on keeping the original windows and floors and hope to keep the charm that this house already has! We by no means want to change the cozy and warm feeling you get when you walk into this house, we are just wanting to create more room for our growing family since we plan on being here for a very long time.

We appreciate your time, and please feel free to reach out with any questions or concerns.

Warmly,
Riley and Elliot Jackson
