

Draft Vision Statements

Based on discussions during 12/21/20 URB meeting.

Manuel Escobar

Achieve sustainable, lasting revitalization that results in diverse equity for all stakeholders and serves as a model for development throughout the City.

Darrell Pierce

Create and sustain model revitalization that drives diversity for stakeholders impacted by 11th and 12th street corridors.

Promote diversity, and facilitate revitalization for modeling historic preservation of 11th and 12th street corridors.

Amit Motwani

The URB has, by means of its implementation of the URP, inculcated a lasting development model whose sustainable resilience is the cohesive result of shared incentive and equitable benefit for all community stakeholders.

Danielle Skidmore

Achieve a sustainable resident-informed revitalization that respects the history and diversity of the East 11th and 12th Street corridors and serves as an inspiration for other locations in the city.

Jaqueline Watson

Accomplish a diverse historically respectful revitalization of the East 11th and 12th Street corridors that inspires future development throughout Austin.

Nathaniel Bradford

Seconded Commissioner Watson's visions statement.

Kobla Tetey

Ensuring that all stakeholders benefit from investments into the City, driving diverse equity and sustainability in a manner that is respectful to all parties, leaving a legacy of inspirational community development and becoming a model for other cities to follow.
