Hello,

This message is for Andrew Rice, the Historic Landmark Commission, and any others working on this case. My name is Clayton Maxwell and I am writing to you in favor of a proposed project at 121 Laurel Lane. My husband and I live at 113, Laure Lane, and we, like other neighbors on our street, support Rindi McDonald's improvements on her garage apartment. The public hearing date for the project is January 25th and the case number is HR-20-184510. Please let those who are working on the case, particularly Andrew Rice, know that we are happy to talk to him if he'd like more information. We are proud of street and are in favor of this improvement to it.

Warmly,
Clayton Maxwell

My husband, Patrick, and I (Julie Willis) live at 3115 Hemphill Park.

We are writing specifically to Andrew Rice and the Historic Landmark Commission about:

- Public Hearing date-January 25, 2021
- Historic Case Number: HR-20-184510
- Address-121 Laurel Ln.

We just wanted to let Mr. Rice and the Commission know that we've heard from Rindi and Don about their garage apartment project and we support their effort, believing it will improve not just their property but the neighborhood at large, and trusting in their regard for and ability to meet historic guidelines.

Thank you,

Julie Willis
