Dear Historic Landmark Commission:

I am writing to voice our opposition to the proposed demolition of 1517 Murray Lane. My wife and I live 2 houses down at 1712 Windsor Road. The homes on Murray Lane were built in the 1920's and remain true to their original character. It would be a shame to have 1517 Murray demolished, particularly with the significance the Morley family had in Austin's early growth.

We are on record against the demolition. Thank you for your consideration.

Sincerely,  
Robert and Carrie Hicks  
1712 Windsor Road
