Attn: Andrew Rice, Historic Landmark Commission

I am the next door neighbor of 121 Laurel Lane. I live at 119 Laurel Lane.

I have reviewed the plans provided by Rindi McDonald and Don Harris for their garage apartment and it is totally satisfactory to me. Like a lot of old structures in the neighborhood, their existing garage is obviously beyond a simple repair. The new structure as designed appears compatible with the historic nature of our neighborhood and would contribute to it. No doubt a new structure would be a safer addition than the current structure.

You may contact me with any questions.

Thank you.
