Project Proposal

Espero Austin at Rutland Apartments will be an affordable, new construction multifamily development and will provide approximately 171 units. The development is being designed for persons experiencing homelessness. 101 of the 171 units will be reserved for persons experiencing homelessness through Austin's Continuum of Care.

The development will consist of one elevator-served building with the following unit income mix: (i) 27 units will be reserved for individuals with incomes at or below 30% AMFI, (ii) 117 units will be reserved for individuals with incomes at or below 50% AMFI and (iii) 27 units will be reserved for individuals with incomes at or below 60% AMFI.

An affiliate of AHFC will be a partner in the development. The Limited Partnership (LP) (or limited liability company) structure proposed for this development is similar to previous LP (or limited liability company) structures in which AHFC-established nonprofit corporations have participated. These include developments such as Vi Collina, Nightingale at Goodnight Ranch, Aldrich 51, The Timbers, Villas on Sixth, Arbors at Creekside, Heritage Heights at Blackshear (also known as SCIP I), and Retreat at North Bluff (formerly known as Village on Little Texas).

Financing for the development is proposed to come from 4% Low Income Housing Tax Credits, Private Activity Bonds issued by AHFC, a Direct Loan from the Texas Department of Housing and Community Affairs (TDHCA), and a Rental Housing Development Assistance (RHDA) subordinate loan from AHFC to the Owner.

The proposed development's application to the City, as well as socioeconomic and amenities in the

surrounding area, may be found at <https://austintexas.gov/page/current-applications>.
