

Council Member Ellis

Item 6

February 25, 2021

Motion Sheet

I move to amend Mayor Adler's amendment as follows:

- Plan for a formal review of the disaster and the response with the goal of avoiding future disasters to the extent possible and making improvements to the response efforts, including, but not limited to,
  - Improved public communications from Austin Water, such as more timely warning notifications, more localized, real-time outage information, and estimates of when water service will be restored
