During the March 26, 2020 Council meeting, Council approved Resolution No. 20200326-092 directing the City Manager to explore options available to reduce the impact of utility bills during the time when the City is asking our community to work from or otherwise stay at home to help reduce the spread of the coronavirus. The resolution directed the City Manager to at a minimum consider adjusting eligibility criteria for the Plus 1 emergency financial aid program to make it accessible to individuals who have experienced an impact to their job or earnings as a result of COVID-19 and consider other options for utility rate relief for residential customers.

On April 9, 2020 Council approved Ordinance No. 20200409-083 for Austin Energy and Austin Water to contribute an additional \$5 million each to the Plus One payment assistance program. The Plus One payment assistance program provided direct and targeted relief to our most vulnerable customers experiencing hardship in paying utility bills.

Pursuant to this action, Austin Energy and Austin Water will each contribute an additional \$5 million to the Plus One payment assistance program for FY2021 for additional payment assistance, due to the continuing impacts of COVID-19.
