

## HISTORIC LANDMARK COMMISSION NARRATIVE

---

**Project (#)** Fiesta Gardens (19043)  
**Date** 2021-03-22

### Summary of Revised Items

- A. Site
  - 1. A pocket park is added along Jesse E. Segovia Street with low profile seating, paving, and lighting surrounded by planting to match designs within the plaza
  - 2. Materials, details, and lighting are further developed throughout
- B. Bandstand
  - 1. The structure's renovation history is clarified to include early changes to the primary structure and a later addition of an accessible ramp within the plaza
  - 2. Design exhibits highlight the reconstruction of the failing wood pergola and relocation of vertical circulation away from the plaza
- C. Supplementary exhibits are available toward the end of presentation
