

Recommendation for Action

File #: 21-1581, **Agenda Item #:** 31.

4/8/2021

Posting Language

Approve a resolution authorizing the filing of eminent domain proceedings for the Texas Department of Transportation Oak Hill Parkway project for the public use of accommodating roadway improvements to adjust water infrastructures in conflict, the acquisition of one Water Line Easement being approximately an 0.134 acre (5,818 sq. ft.) easement located in the J.P. Johannesen Survey No. 648, Abstract 454, Travis County Texas, being a portion of a 3.5 acre tract of land, described in a deed to Chris Petropoulos, recorded April 15, 1965 in Volume 2941, Page 171, Deed Records of Travis County, Texas in the amount of \$28,363. The owner of the needed property is Chris Petropoulos. The property is located within District 8, at 8160 West U.S. Highway 290, Austin, Texas 78736. The general route of the project is SH 71 at Silvermine to US 290 at Circle Drive, beginning at William Cannon Drive, in Travis County, Texas.

Lead Department

Office of Real Estate Services.

Fiscal Note

Funding in the amount of \$28,363 is available in the Fiscal Year 2020-2021 Capital Budget of Austin Water.

For More Information:

Alex Gale, Office of Real Estate Services, (512) 974-1416; Megan Herron, Office of Real Estate Services, (512) 974-5649; Adewale Odufuye, Public Works Department, (512) 974-7119.

Council Committee, Boards and Commission Action:

Water and Wastewater Commission; 2.12.21- Recommended by the Water & Wastewater Commission on Commissioner Castleberry's motion and Commissioner Turrieta's second on a 7-0 vote. Commissioners Ho, Michel and Schmitt were absent with Commission Parton off the dais.

Additional Backup Information:

This project is for the relocation and adjustments of existing water and wastewater lines and appurtenances in conflict with the Texas Department of Transportation (TxDOT) Oak Hill Parkway project, located at the convergence of US Highway 290 and US Highway 71.

The work consists of relocating approximately 561 linear feet of 30-inch diameter water line; 2,712 linear feet of 24-inch diameter water line; 23,904 linear feet of 16-inch diameter water line; 5,954 linear feet of 12-inch diameter water line, 908 linear feet of 8-inch diameter water line; 4,987 linear feet of 36-inch diameter wastewater line; 66 linear feet of 30-inch diameter wastewater line; 110 linear feet of 18-inch diameter wastewater line; 200 linear feet of 15-inch diameter wastewater line; 6,674 linear feet of 8-inch diameter wastewater line; 269 linear feet of 6-inch diameter wastewater

line; including appurtenances. The construction of this relocation will be included in the TxDOT contract. TxDOT anticipates starting the utility relocation construction in the Summer of 2020.

Austin Water's existing water and wastewater lines are required to be adjusted to accommodate the proposed roadway improvements, and this agreement will allow those water and wastewater infrastructures in conflict to be adjusted. This project will bring together the efforts of TxDOT and Austin Water in the design and construction of the roadway improvements and utility adjustments to minimize impacts to the public and save costs.

The City of Austin has attempted to purchase the needed property at 8160 West U.S. Highway 290, Austin, Texas 78736. Negotiations have come to an impasse. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.
