If you're in dove springs please stop by the ATX Free Fridge Project Dove Springs !! Do Good ATX received a drop off this morning and in the afternoon so we had enough to feed east side and south side. Please don't let this produce go to waste

Please share this opportunity for FREE PRODUCE BOXES with your networks! Also, if you're interested in picking up multiple boxes on behalf of communities you serve, the organizers are happy to accommodate these requests. Feel free to give Dutch Small a call (713-269-5100) or email (dutchsmall@gmail.com) to coordinate if you're interested in picking up multiple boxes and delivering to those who may be unable to make it out to Pioneer Farms.
