Dear President Gonzales & LGC Directors,

I am writing to inform you of my resignation as the Vice President of the Waller Creek Local Government Corporation (LGC), effective April 1, 2021.

I have been a director since the creation of the corporation adopted by the Austin City Council Resolution No. 20110428-014. I would like to thank my fellow directors for the opportunity to work with each of you. I have learned a lot from your dedication to the Waterloo Greenway project. Most especially, I want to acknowledge the exceptional expertise shown by the staffs of the city and the conservancy. I want give a special thanks to Jackie Ramos and that of the city's technical staff. Jackie is the godmother of the LGC and we are fortunate to have her.

I am proud to have been a part of the decision-making of the Waller Creek District redevelopment for the past decade. This remarkable project will transform Austin.

Keep up the good work all.

Warm regards,

Melba Whatley, Vice President  
Waller Creek Local Government Corporation
