### Vecino Group

Vecino Group is a company devoted to development for the greater good. As a vertically integrated company, the Vecino Group's in-house capabilities include development, design, engineering, construction, and asset management. Formed in 2011, the Vecino Group manages all development and operations through four National hubs. Collectively, the Vecino Group has produced 61 unique developments in communities across 14 different states. Cairn Point Austin at Springdale will be the Vecino Group's third project in Austin. Consultant Jennifer Hicks has over 20 years of affordable housing development and finance experience working for Foundation Communities. While at Foundation Communities, Hicks also helped create and implement the first supportive housing model in Austin and grew the model to 783 units before her departure. As owner of True Casa Consulting, LLC, Hicks has continued working with nonprofits to help structure and access capital for permanent supportive housing projects in Texas. A non-profit affiliate of AHFC, tentatively called AHFC Cairns Point NPC, will serve as the General Partner of the development owner.
