

# Winter Storm Review Task Force

The City Council established the Winter Storm Review Task Force to hear from community members and organizational representatives about their experiences during and in the aftermath of Winter Storm Uri. The Task Force will hold virtual listening sessions to listen to community testimony and summarize this information for Council. The listening sessions will conclude no later than June 30, 2021.

A SpeakUpAustin webpage dedicated to this initiative is also being created to capture the unique stories submitted through written testimony, video footage, and pictures. The Task Force will summarize all testimony, including stories captured via SpeakUpAustin, into a final cursory report or presentation for the City Council. The final report will be provided to Council no later than July 30, 2021. Additionally, the collage of stories received during the listening sessions and through the SpeakUpAustin webpage will be collected and archived at the City's Austin History Center.
