Thank you so much. Below are our additional comments:

The Rogers-Washington-Holy Cross Neighborhood Association is happy to share our support for the approval of Item HR-2021-048226, dealing with remodelling of 1910 Maple Ave. We have had the opportunity to review the plans for the work at 1910 Maple Ave, and we feel that the proposed work is strongly aligned with the guidelines for our historic neighborhood. In fact, in seeking historic district status, we hoped that new homeowners in the neighborhood would do exactly as the new owners at 1910 Maple Ave have done: recognize the architectural uniqueness of the homes here and the important social histories contained within these streets, and make efforts to restore and preserve their home's unique character and historic characteristics. We appreciate their approach to restoring the property and offer our support for this item.

Thank you,

Historic Rogers-Washington-Holy Cross Neighborhood Association

Hi, Jen and Brenda,

The deadline to register to speak has passed, unfortunately. We are still able to share written comments if received at this email address—I can upload the email below, or if you have additional comments, please send them to us by 2:30 so we can meet the last posting deadline of the day.

Thank you,

*** External Email - Exercise Caution ***

Hello,

Those of us from the Rogers Washington Holy Cross Neighborhood Association were wondering if it is still possible to register our support in writing or during the meeting for item HR-2021-048226 related to 1910 Maple Ave. We feel that the planned work on this property is very much aligned with the goals of our neighborhood preservation, and we hope to see it approved by the commission.

Thank you,

Jen Margulies
